Cllr J Moore proposed the finance statement as submitted to the meeting be accepted. Seconded by Cllr J McVann. Unanimous vote; abstained by Cllr J Sayner and Cllr D Sayner.

05.04 Cllr J Bradwell proposed the finance statement as submitted to the meeting be accepted. Seconded by Cllr C Makin. Unanimous vote; abstained by Cllr J Sayner and Cllr D Sayner.

05.05 Cllr J Sayner stated that if the suspending standing order is confirmed then they can be reviewed before the 6 months.

05.06 Clerk T Smith stated the suspension of a standing order is to be on the December agenda.

05.07 Clerk T Smith stated Hellaby Council booked a room with the council, that Hellaby had stated they paid £75 back but the council never received the money and so the money should be written off. Cllr I Handley asked if Hellaby Council had a receipt. Clerk T Smith answered that is unknown.

05.08 Cllr J Moore proposed the £75 be written off. Seconded by Cllr J McVann. Unanimous vote.

05.09 Clerk T Smith stated that 2 laptops are to be bought and that she would test the market for the best price, aiming for the best value for the right specification. Cllr D Sayner suggested there should be a budget of around £1200-£1500.

05.10 Cllr I Handley proposed a budget of £1500 be set for the laptops. Seconded by Cllr C Makin. Unanimous vote.

05.11 Clerk T Smith stated £50 is charged for adults for hiring the football pitches and that a junior team wants to hire a pitch and has requested a lower rate. It was suggested a discounted price could be around £35. Cllr J Sayner stated that Maltby charges £25 for junior teams.

05.12 Cllr J Bradwell proposed £25 be charged for the junior team. Seconded by Cllr J Sayner. Unanimous vote.

- 05.13 Discussion as to whether our current pest control is value for money and should we continue with it.
- 05.14 Cllr J Bradwell stated he would speak with the pest control company to ascertain what his job currently entails.
- 05.15 Cllr D Sayner stated that other councils receive grants from borough councillors and that Bramley Parish Council has not received any such grants recently. Clerk T Smith stated that there is £3000 between two parish councils and that a bid for money could be made.
- 05.16 Cllr I Handley asked what the council's current discrepancy is. Cllr J Sayner answered the council is predicted to have lost £19,000 by the end of the financial year.
- 05.17 Chair D Hardwick suggested there should be a 20% increase for the precepts. Cllr J Moore stated that the council shouldn't need any more than £3000 per week. Clerk T Smith stated that as other precepts are increasing by around 15% that the council would bear the cost if there is no increase in the council's precept. It was discussed that this would mean around a £14 increase for individual households. Cllr D Sayner stated that as there are new houses being built, this could mean an individual household increase of around 14-15% as the previous increase of 5% resulted only in a 1% increase. Cllr D Sayner explained that this is because the cost is spread between houses, including new builds.
- 05.18 Cllr J Sayner stated the council's general reserves have been extremely low since Covid-19 and that if there was another event of similar nature would put the Council under pressure. Cllr J Sayner stated that the reserves need to be increased and so the precepts would need to be increased.
- 05.19 Discussions as to whether there are any other areas where costs could be cut. It was suggested that some expenditures could potentially be reduced.
- 05.20 Cllr J Bradwell proposed a 20% increase in the precepts. Cllr J McVann seconded. 2 votes for and 2 against. Tied vote.
- 05.21 Cllr D Sayner stated that Maltby the previous year increased precept by 26% and they received no complaints.
- 05.22 Clerk T Smith that the council may not be able to get fidelity insurance.
- 05.23 Cllr J Sayner stated that precepts should match the expenditures, suggesting that a 15% increase would match the predicted expenditures as the precept is spread across new builds as well.
- 05.24 Cllr C Makin asked if the Parish Hall and youth club were fully used. It was agreed that they weren't.
- 05.25 Cllr D Sayner stated that any potential sale of the Annexe cannot be included in figures for the next financial year.

- 05.26 Cllr I Handley stated the increase shouldn't be higher than 10%. Cllr J Sayner stated that if the increase isn't high enough then it could cause problems financially for the council due to the low reserve funds.
- 05.27 Discussions as to whether the increases in precepts would be affordable for Band A and Band B households in addition to gas and electricity costs.
- 05.28 Cllr I Handley proposed 10% increase. Not seconded.
- 05.29 Cllr D Jackson proposed a 15% increase in the precept. Seconded by Cllr D Sayner. 7 votes for and 2 votes against; abstained by Cllr J Moore. Majority vote.

06.00 Parish Council Finances - Retrospective claiming of CIL's monies

- 06.01 Clerk T Smith suggested that around £96,367.63 should be retrospectively claimed from the CILS fund to cover the predicted shortfall. Cllr D Sayner suggested that less was claimed now and if the council needed funds at later date, then more could be claimed.
- 06.02 Discussions suggesting that the council needs a level of sustainability.
- 06.03 Cllr J Sayner asked how long was left on the CILS fund. Cllr D Sayner answered around 3.5 years. Cllr J Sayner stated that this wasn't a long time and claiming the money now ensured the money wouldn't be lost. Discussions as to how this would allow the reserve funds to be healthier.
- 06.04 Cllr J Bradwell proposed that £96,367.63 is transferred from the CILS fund to the council's fund. Seconded by Cllr J Sayner. 8 votes for and 1 vote against; abstained by Chair D Hardwick. Majority vote.
